YASKAWA

Yaskawa EMEA verbal whistleblower communication line

1) Select the country from which you would like to notify a report.

2) Dial the number and insert the Company Acces Pin (CAP) after being requested by the system.

3) Record your message. You will receive a request to approve your message or to record a new one.

4) Press the pound key after having finished your recording.

5) The Yaskawa investigation team will receive your message as obfuscated sound clip and will deal with your report.

6) All reports made through this telephone line will be received and investigated by the team assigned at Yaskawa Europe, EMEA Headquarters.

7) After your report has been confirmed, you will receive a six-digit code (case ID) for your reference. You can call the number at any time and retrieve current information about your case using your company access PIN and your six-digit code. It is also possible to leave new information with additional records.
